Is your child turning 5 before April 30th 2016?

We invite you and your child to participate in our Foundation Transition Program.

The program will provide you both with experiences from all curriculum areas and will include information sessions for parents. There will be opportunities to meet staff, ask questions and tour the school. Interpreters will be available.

Please contact our friendly office staff to book your place.

SPRING PARKS IS PLEASED TO OFFER TO THE COMMUNITY:

A School Readiness Program
Ensuring your child makes a successful start to school is an investment that all parents want to make. We are offering practical sessions which will provide parents with an overview of the pre-requisite skills and competencies that children need to thrive at school.

A FREE information session for parents will be held on Wednesday 29th July 6.30pm
Followed by a hands on preparing your child for school program. The program will run for 5 weeks. Friday August 14th to Friday September 11th 9.00-10.30am
Each session will develop skills from each of the developmental domains including cognitive, social & emotional, language and fine & gross motor development. The cost for the program is $30, and places will be limited. Bookings are essential.

School Information Night & Meet the Principal
Wednesday 21st October 7.00pm
Our classrooms are child-friendly places, full of colour, learning materials, high expectations and academic rigor. Parents will have the opportunity to tour our school, meet the principal and teachers and learn about our curriculum and standards.

Student School Transition Sessions
Your child’s first year of school is very important. We want your child to form positive attitudes to their learning which will last a lifetime. At Spring Parks we aim to support your child to become an independent and responsible member of their classroom, their school and the wider community. In order for this transition to be as smooth as possible it is vital that students have lots of opportunities to visit the school and meet the staff members that will be working with them during this very important time. We are therefore providing five FREE transition sessions for all enrolled students each Friday from Friday October 30th to Friday November 27th 9.15-10.15am
