COMMUNITY

HOPE

Dear Parents/Carers,

Community Event:

Due to the weather, our first community event on Wednesday 29/4 has been postponed but we will re-organise this event in term 4. Sorry for any inconvenience.

Swimming costs:

We have booked Clayton swimming pool for December 4th through to December 15th (excluding Tuesday December 12th as this is Year 6/7 Transition day). Unfortunately, due to rising costs in petrol and wages, the cost of swimming for the 9 day program will be \$90.00. This works out to be only \$10 per lesson, which includes the bus and swimming instructors. CSEF can be used to cover the costs of swimming.

State Schools Relief

This is a not-for-profit organisation which can supply new school uniforms for families who may be unable to afford it. If you are in need of some uniform, then please see Angela at our West Campus, and she will be able to help you out. We can't always access this service, as sometimes there is high demand at different times of the year, but she can always try.

Free dress day:

Last week we held an "out of uniform" day for the students to raise money for the Blue Moon Temple in Springvale, that suffered a devastating fire this year. The children donated \$302 across both campuses, and we received a donation from a parent of \$40 to add to the total. So, we now have \$342 dollars to go towards this worthy cause. We will be forwarding it to the relevant person as soon as we can. Thank you for supporting this very worthy cause.

Term 2 :

Next term begins on Monday April 24th and the Year 5/6 children will begin Friday Interschool Sport soon after that. There are a number of forms still to be returned, so please remind your children to bring them back as soon as possible. We are also waiting on a few forms for the Foundation excursion to the Melbourne Museum on Wednesday May 3rd. If you require another permission form, or a request to use CSEF money, then please contact the Office.

End of term:

School will conclude on Thursday, April 6th at 2.30 p.m. We will begin term 2 on Monday April 24th at 8.50 a.m.

Just a reminder that Tuesday, April 25th is ANZAC day, so this is a public holiday.

Have a wonderful holiday with family and friends.

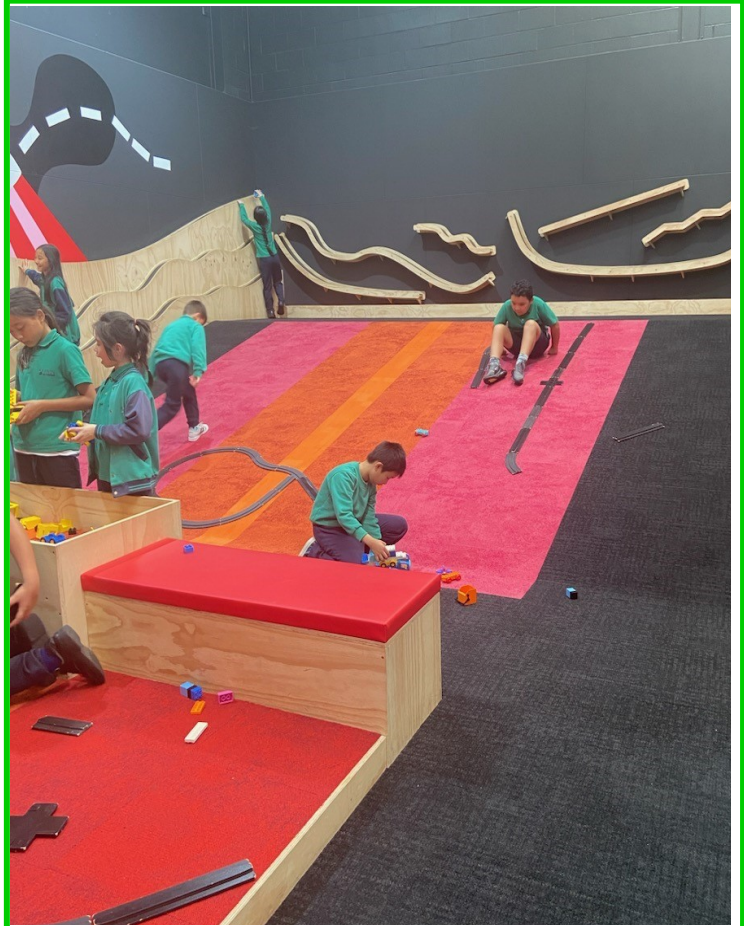

Julie Fisher

Principal

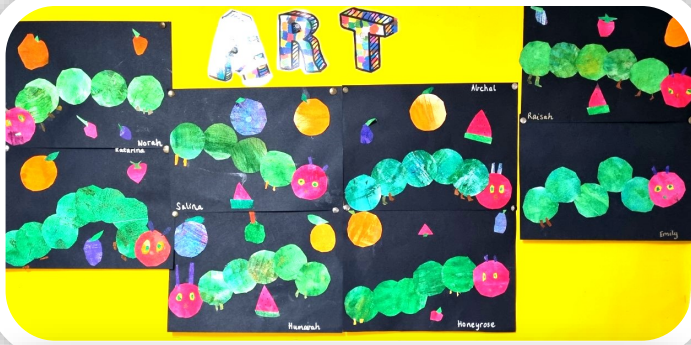

Spring Parks enjoys great partnerships with: Ardoch, IKEA, Woodleigh School, Officeworks and Resilience Project

3&4 To Museum Of Play And Art

WEST CAMPUS ART WORK

Athletics at Murrumbreena.

What an amazing day our 5/6 athletics team had last Friday! The teachers came back full of praise for the team mentality of each child, the excellent behaviour of every student and the fantastic results of a group of children who will be progressing to the next stage of competition later in the year.

A competitor had to finish first in their event before they could progress. So, we will have :Willow-Rose, Golden, Darrean, YiLian, Rachel, Emily, Jason and Alycia

Cranbourne Botanic Gardens

Last Tuesday Grade 1 and 2 visited the Cranbourne Gardens. We used our five senses to enjoy the Australian gardens. We tasted lemon myrtle tea, we felt a snake skin, we saw lots of plants and trees and even some bandicoots! We heard many different birds and there were lots of leaves and flowers to smell. One of our favourite activities was the walk to Trig Point Lookout.

Extending Mathematical Understanding Program (EMU):

On Tuesday, Mrs Morgan treated her students on the Extending Mathematical Understanding Program (EMU), to mixing and baking some delicious cupcakes to celebrate the last day of the program for some students. It may sound like all they did was bake and eat them, but there was lots of maths involved with measuring liquids and solids, temperature and time. What a great way to bring mathematical concepts into cooking! I was lucky enough to receive my cupcake from Ny and Daliya
