Dear Parents and Carers,

Parent/Teacher Interviews:

Your interview appointment time will be coming home on **Wednesday June 14th**, so look for it in your child's bag. If you can't make the time that is allocated to you, then please phone the Office and they will try and make a suitable change. Families with a child on the PSD program have been allocated an extra 15 minutes so that goals for your child can be discussed. Your child/children's report will be available on the Sentral Parent Portal on Monday June 19th, so please make sure that you can log on to the

Portal before then. We look forward to seeing as many families as we can on this afternoon/evening. **Important information: Mrs Otenstein from our Valley Campus will be holding her interviews this term on Tuesday June 20th.**

Foundation Enrolments:

If your child is turning five years old before April 30th 2024, then they are eligible to be enrolled at school. Please call the Office and ask for an enrolment pack, as the earlier we know numbers for next year, then the earlier we can start our work-force plan.

Whole School Assembly:

It's quite a while off yet, but we will be holding our whole school assembly at our Valley Campus on Friday, June 23rd at 9.30 a.m. The earlier time is due to the Year 5/6 students going to Interschool sport on this day. It is also the last day of term 2 and dismissal will be at 2.30 p.m.

Spanish Day:

Mrs Parisi is busy organising a wonderful day for our community on Friday June 9th. She has organised paella for lunch and most of our students and staff have ordered a delicious lunch. The children have been learning a Spanish performance and we're all looking forward to seeing each class perform on the day. The focus this year is on Spain and it will be held at our West Campus.

Have a wonderful fortnight.

The aim of the contest is to encourage students to develop important mathematical problem-solving skills in an enjoyable, non-threatening environment.

Upon completion of all four contests this year, the students will receive a Certificate of Achievement. The winners (the students with the highest score over the four tests) will receive a trophy and certificate and be awarded these in a special assembly.

So far, after the first contest, the following students are in the lead .With 3 challenges remaining, the opportunity of winning is still anyone's .
