

Dear Parents and Guardians,

Spring Parks Primary School is looking forward to another great year of teaching and learning and would like to advise you of Spring Parks Primary School's voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to organize and coordinate to the best possible program outside of the traditional teaching and learning classroom structure.

The environment and resources that we enjoy today represent the contributions made by our parent/carer community over many years. Parent/Carers voluntary contributions make a significant difference to the quality of our programs. This financial support ensures that we can continue to provide the excellent range of facilities and resources for your children. Your support allows us to: -

- Provide high quality programs and specific subject materials and equipment for: English, Mathematics, Visual Arts, Performing Arts, Science, Design & Technology, Mandarin and PE.
- Maintain and develop the school grounds
- Ensure the upkeep of our computer devices to enhance learning opportunities – 56 new laptops in 2026
- Maintain sufficient class sets of books for students to develop their reading skills
- Provide hands on math's equipment i.e.: measuring materials, calculators for teaching purposes
- Deliver a range of sporting equipment and hands on play-based material
- Arrange for individual student supplies and class bulk supplies

Please find below Spring Parks Primary School voluntary financial contributions schedule for 2026, which includes an overview of what your contributions will contribute towards.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Mr. Philip O'Reilly
